Each quizzer, full of the Word of God, will become a great leader in every profession that God calls him or her to be involved. The national Bible Quiz office challenges every church that has a BQ ministry to be involved in this project. Won't you be a part?

They say that money doesn't grow on trees. But, it may as well be that easy for your students to earn scholarships for college. Through their participation in **Bible Quiz**, they can receive a scholarship from **SAGU**. Add to that the fact that **SAGU** is among the least expensive AG schools, and it makes sense that they should check us out.

Let your students know about this opportunity!
